PREETHI A R

QA Tester | Bengaluru, India | +91 7676809743 | preethiaraiml2026@gmail.com | linkedin.com/in/preethiar1226

PROFESSIONAL SUMMARY

QA Tester with hands-on experience in functional, API, integration, security, performance and end-to-end testing on a live Order Management System (OMS). Comfortable with Playwright, Postman, JMeter, OWASP ZAP and Lighthouse, with working knowledge of SQL and PostgreSQL. B.E. graduate in Artificial Intelligence & Machine Learning (CGPA 8.9) who works closely with developers on clear bug reports, validation and Agile sprints.

TECHNICAL SKILLS

- **Testing:** Functional, API, Integration, End-to-End, Security, Performance, Feature Validation
- **Test Tools:** Playwright, Postman, JMeter, OWASP ZAP, Lighthouse
- **Database & Languages:** SQL, PostgreSQL, Python, HTML
- **Tools & Process:** Git, GitHub, VS Code, Cloudflare, Agile / Scrum, Bug Reporting, Test Documentation
- **Additional:** Machine Learning, Generative AI, Prompt Engineering, Data Analytics

PROFESSIONAL EXPERIENCE

QA Intern (Testing & Validation) | Electrobtech Innovations Pvt. Ltd., Bengaluru | Jun 2026 – Present

- Tested the Order Management System (OMS) end to end, covering feature verification, validation and defect reporting.
- Performed functional, API, integration, security, performance and end-to-end testing using Playwright, Postman, JMeter, OWASP ZAP and Lighthouse.
- Worked with developers on bug reporting, fix validation and documentation, and took part in Agile sprint activities using Git and GitHub.
- Assisted with Cloudflare configuration and platform setup activities.

PROJECTS

GenAI Multimodal AI Prototype | Python, Generative AI, Prompt Engineering
Built a multimodal application that processes text, documents, images, audio and video in a single interface.

Video Sentiment Analysis | Python, Machine Learning
Analysed customer video reviews to classify positive and negative sentiment.

Sign Language Recognition System | Python, Computer Vision
Implemented hand detection and gesture recognition to convert sign language into readable text.

EDUCATION

B.E., Artificial Intelligence & Machine Learning | The Oxford College of Engineering | 2022 – 2026 | CGPA 8.9/10
Smile Foundation Scholarship (sponsored by Deutsche Bank)

Class XII | Krupanidhi Pre-University College | 2021 – 2022 | 85.33%
Class X (ICSE) | Mahatma Vidyalaya | 2019 – 2020 | 88.33%

CERTIFICATIONS & ACHIEVEMENTS

- Gen AI Exchange Academy, Google Cloud & H2Skills
- Google AI Studio, Google Cloud
- Top 6 Finalist, Docathon (Cell Verse), for “Medical Scribe”
- Volunteer, NSS Unit, The Oxford College of Engineering
